

2 Celebrations Carole's Retirement

JUNE/JULY 2006

A career so outstanding -- moving from dance teacher/choreographer to dance department chair to Dean of Student Services to Dean of Instruction to VP of Instruction -- deserved not 1 but 2 celebrations!

The first was a grand dinner held at College of the Canyons. Peers and her president gave glowing recounts of her accomplishments and described her as a remarkable and wonderful person with whom to work.

The second was family and close friends hosted by Michelle and Kevin at a local restaurant. Video clips of Carole's dances through the years and a recap of Carole's career behind the scenes was given by Michelle. Sending Carole off to retirement and on her extended study trip to Mexico was a beautiful solo by friend Julie Pritkin, "I Hope You Dance."
